"Saving Water . . . Works!"

WHEREAS, water is a basic and essential need of every living creature;

WHEREAS, water is a natural resource of tremendous value and importance to every Citizen;

WHEREAS, there is resounding public support for protecting and enhancing the quality of our County's rivers, lakes, wetlands and ground water;

WHEREAS, maintaining and improving water quality is essential to protect public health, to protect fisheries and wildlife, and to assure abundant opportunities for public recreation;

WHEREAS, substantial progress has been made to improve water quality since the passage of the Clean Water Act in 1972 due to the concerted efforts by Federal, State and Local governments, the private sector and the public;

WHEREAS, serious water pollution problems persist throughout the Nation and significant challenges lie ahead in the effort to protect our precious water resources;

WHEREAS, further development of water pollution control programs, advancement of water pollution control research, technology and education are necessary and desirable;

WHEREAS, it is my personal responsibility to conserve water as a legacy for future generations;

NOW THEREFORE, be it resolved that I, the undersigned, do hereby proclaim, in support of Learning that "Saving Water . . . Works," to make every year the YEAR OF CONSERVATION and be it further resolved that I will do all I can to assure the integrity of our vital water resources for my generation and for the generation to follow.
